

**Curriculum Night**

Join us on February 27<sup>th</sup> from 6-7 pm to learn more about courses and complete the course selection process.

**Middle School Promotion Requirements**

Middle school students are required to successfully complete three years of language arts, mathematics, science, and social studies. Students who do not receive passing grades in their four core content classes (Math, ELA, Science and Social Studies) will be placed in course recovery.

**Acceleration & Supports**

We believe that with the right support, ALL students can meet grade-level academic standards through challenging course work. Science and Mathematics are offered in regular and advanced options. Students may receive intensive reading or math support in a co-teach setting based on student FSA scores.

**Physical Education**

All students are required to take 1 Semester of PE every year. If choosing an elective other than PE, a PE waiver is required to be completed by the parent on the back of this form. Completing a PE waiver does not guarantee that your student will not have PE.

Classes are offered based on the choices you make. The choices you make are binding. If you do not choose elective courses and your first-choice electives are full, your classes will be chosen for you and schedule change requests will not be honored. Schedule changes will not be made because you decide that you do not want to take a course any longer. Please choose wisely as you will be taking the classes you select.

## PE COURSE REQUIREMENT/WAIVER

Senate Bill 610 requires the equivalent of one class period per day of Physical Education for one semester each year for students in grades 6-8.

A waiver is required for students for the following criteria:

- Student requires a remedial course
- Parent requests another offered course
- Parent verifies that student participates in equivalent activities outside the school day

I have read the PE Waiver Statement and believe that my child meets one of the listed criteria for exemption and requests courses other than PE.
